

**MEMORANDUM OF UNDERSTANDING  
BETWEEN  
MARKEY CANCER CENTER COLLEGE OF MEDICINE  
UNIVERSITY OF KENTUCKY  
AND  
WALAILAK UNIVERSITY**

The Markey Cancer Center College of Medicine, University of Kentucky and Walailak University by School of Allied Health Sciences implement this MOU in recognition of mutual benefits arising from the establishment of successful academic relations between the two institutions. The purpose of this MOU is to promote academic and cultural exchange in the areas of education, research, and other activities, and have agreed to collaborate and work together toward the internationalization of higher education.

The areas of cooperation will include any programs offered by either institution which is felt to be desirable and feasible for the development and strengthening of cooperative relationships between the two institutions. However, any specific programs shall be subject to mutual consent, availability of funds, and approval of each institution. Such programs may include:

- a. Staff development
- b. Exchange of students
- c. Exchange of faculty members
- d. Joint research projects
- e. Joint conferences
- f. Joint cultural program
- g. Other mutually beneficial projects which may be defined from time to time

The terms of such mutual assistance and cooperation shall be discussed and agreed upon in writing by an appropriate responsible officers of both parties prior to the initiation of any particular program or activity.

This MOU shall be effective upon approval by both parties and shall remain in effect for an initial period of five (5) years. Thereafter it shall be automatically renewed from year to year; however, within the initial period either institution may terminate the agreement at the end of a given year by giving six months notice in writing of such intent.

If any disagreement arises concerning with the MOU, it should be resolved harmoniously between the two institutions.
