

**MEMORANDUM OF UNDERSTANDING FOR
COLLABORATION IN RESEARCH AND ACADEMIC EXCHANGES
Between**

**School of Public Health, WALAILAK UNIVERSITY
and
BK21 Center for Healthy Environment Education & Research, SEOUL
NATIONAL UNIVERSITY**

School of Public Health, Walailak University and BK21 Center for Healthy Environment Education & Research (CHEER), Seoul National University (referred to hereafter as “the two parties”) hereby conclude an agreement for collaborative research and academic exchanges between the two parties

1. The two parties will promote in particular the following activities:

- [1] Joint research and education
- [2] Exchange of scientific ideas, materials, and information
- [3] Exchange of faculty members, other academic staffs, and students

2. These activities are to be carried out after consultation and mutual agreement between the two parties, on a case-by-case basis.

3. All financial arrangements with regard to the facilitation of the above activities are to be negotiated and agreed between the two parties on a case-by-case basis.

4. The two parties agree that, in the event of academic or research collaboration resulting in a need for patent rights, copyrights or any other intellectual property rights, a further agreement must be negotiated in accordance with the respective policies held by the two parties on matters of intellectual property.

5. The two parties agree that, in the event of academic or research collaboration resulting in scientific publications, a further agreement must be negotiated regarding the authorship. Authorships will be determined based on the contribution and the spirit to promote further collaboration.

6. Any amendment to this general memorandum shall be in effect only upon mutual agreement between the two parties.

7. This general memorandum shall be effective upon signature by the two parties and remain in effect for a period of five years from the date of signature. Subsequent

renewals of the memorandum will be effective upon mutual agreement between the two parties.

8. Either party may, by giving six months' notice to the other party, terminate the memorandum at the end of any given academic year after the initial period of five years has expired. If this agreement is terminated, neither of the two parties shall be liable to the other institution for any responsibilities for losses that may result.
