

Memorandum of Action on Exchange Faculty
between
National Chin-Yi University of Technology, Taiwan
and
Walailak University, Thailand

The agreement for the academic exchange program shall be signed under the Memorandum of Understanding between National Chin-Yi University of Technology and Walailak University, Thailand, as it relates to the exchange of full-time faculty members, shall be implemented in the following terms:

Article 1

The faculty participating in the exchange program under this memorandum shall be selected initially by the home university, and the host university shall make final admission decisions in each case.

Article 2

Each year, faculty member at both universities may request to be or be invited as visiting scholar at the partner university, and the number of faculty members shall be modified based on mutual consent in advance.

Article 3

The period of faculty member exchange or visit shall be discussed based on each request or invitation.

Article 4

The host university shall give accommodation discount for the faculty members. The faculty members will be responsible for the round-trip airfare, medical insurances and living allowances. The home university shall be responsible for its own faculty members' salary and benefits. Additional exchange benefits shall be proposed by the host university based on mutual consent in advance.

Article 5

The host university shall provide faculty member with an appropriate field of study, program of study, and qualified faculty member partner. The host university shall make efforts in providing faculty members with research, teaching, lecture, seminar, or other scholastic opportunities.

Article 6

Both home and host universities agree to provide official documentation or record for the faculty member exchange.

Article 7

The host university shall be responsible for faculty members' on-campus and off campus housing arrangement, unless the faculty member chooses to waive the arrangement voluntarily.
