1. This Memorandum of Understanding ("MOU") recognises the intention of the Parties to establish and build a relationship, co-operate in a broad range of areas and to work together to gain a mutual benefit. The Parties may seek to encourage and develop collaborative activities in various ways, including but not limited to:
 - the exchange of scholarly ideas/expertise and research;
 - the support of specific discipline interaction;
 - the development of programmes;
 - student exchanges;
 - staff development;
 - summer school programme;
 - articulation agreements.
 - Participation in seminars and academic meetings.
 - The development of joint programs at the undergraduate and graduate degree levels.
 - The promotion of other joint agreed upon academic activities to better enhance mutual understanding and cooperation between the institutions.
2. Separate agreements will be required for any definitive collaborations as articulated by the Walailak University's quality processes. The Parties understand that any financial considerations associated with any collaboration will be dealt with via a legally binding contract. In the course of discussions, the Parties may, before the entering of a legally binding contract, wish to document the understanding reached on financials. In such cases, the Parties agree to append any such understanding to this MOU as an Appendix.
3. Both Parties recognise the value of this MOU in promoting its own programme and activities. However, any marketing material/activity which includes reference to the other party must be sent to that Party and be approved before use.
4. This MOU is for 5 years in the first instance and will be reviewed thereafter. Each Party has the right to discontinue the arrangements subject to a period of 3 months' notice to be given. This MOU may also be terminated at any time by mutual consent of both Parties. As of the fifth anniversary date of the original agreement, and as of each anniversary subsequent thereto (Automatic Renewal Date), unless either party shall have given 3 months' notice of non-extension prior to such Automatic Renewal Date, the term of this MoU shall be extended automatically for a period of one year.
5. In the event of termination, the Parties will honour any agreed commitments either via existing agreed arrangements or by suitable negotiated alternatives.
6. This MOU signifies a statement of intention to collaborate but is not a legally binding document and has no legal effect. The Parties agree that neither Party will make and claim against the other for any loss or damage including but not limited to any consequential damages or lost profits, arising from any discussions, actions taken in reliance on this MOU or for termination of the negotiations without reaching a comprehensive agreement.
