Erasmus+ Programme
Inter-institutional agreement
Key Action 1
Learning mobility for higher education students and staff

between EU Member States and third countries associated to the Programme
and third countries not associated to the Programme

The institutions¹ named below agree to cooperate for the exchange of students and/or staff in the context of the Erasmus+ programme. This agreement is valid for the Erasmus+ call years 20[21]-20[27] in:

- KA131

The institutions commit to sound and transparent management of funds allocated to them through Erasmus+ and to respect the quality requirements of the Programme, outlined in the Erasmus Charter for Higher Education² and in this agreement.

The institutions agree on exchanging their mobility-related data according to the principles of GDPR³ and in line with the technical standards of the European Student Card Initiative⁴, when this becomes available for international mobility involving third countries not associated to the Programme.

Sending institutions located in EU/EEA countries have to ensure compliance with the provisions of art. 46 GDPR for all participants' personal data exchanged in the context of their mobility with institutions from non-EU/EEA countries without an adequacy decision, on the condition that enforceable data subject rights and effective legal remedies for data subjects are available in the respective

¹ Inter-institutional agreements can be bilateral or multilateral in the case of mobility consortia:

- Bilateral agreements are for cooperation between one higher education institution located in an EU Member State or third country associated to the Programme and another institution located in a third country not associated to the Programme
- Multilateral agreements are for cooperation between a mobility consortium of higher education institutions located in one single EU Member State or third country associated to the Programme and another institution located in a third country not associated to the Programme.

third country. The participants should be informed in a transparent manner about the level of protection of their personal data, if this is different from the one where the sending institution is located.

Validity of the agreement

Timeframe	Academic Year*
Start of validity	{2025/2026}**
End of validity	{2026/2027}**

* One of the two options should be selected.

** academic year ends 31st August

Please sum up in this table the selection criteria. This is a non-exhaustive list –partners are invited to agree on the eventual list of selection criteria.

4. Outreach and Selection of participants: calendar, application procedure and requirements

- Partners commit to doing outreach to participants with fewer opportunities to encourage their participation in the Programme and, where needed, agree on a common strategy to meet indicative inclusion targets.
- Partners commit to running selection procedures for mobility activities that are fair, transparent and documented, ensuring equal opportunities to participants eligible for mobility. The calls for applications must be public and an appeal procedure must be in place. Under no circumstances, shall applicants and selected participants incur any costs during application and selection procedures.
- In the case of student mobility, partners will ensure that other elements beyond academic merit are taken into account to ensure participation of students with fewer opportunities. Selection criteria and procedures must be clearly communicated in the call for applications.

Applications/information on nominated students must reach the receiving institution by:

5. Preparation and support

The Higher Education Institution(s) in a Member State or associated third country commit(s) to:

- Ensure that students are aware of their rights and obligations as defined in the [Erasmus Student Charter](#)¹¹.
- Arrange travels or provide a pre-financing of the grant to **reduce the costs that participants need to cover upfront**, to the extent possible.

All involved Higher Education Institutions commit to the following preparation and support measures. Information and assistance can be provided by the contact points and information sources in the table below:

- The receiving institution will guide incoming mobile participants in finding **accommodation**, according to the requirements of the Erasmus Charter for Higher Education. It is considered best practice to use the individual grant to pay for the deposit of dormitories.
- Ensure that outgoing mobile participants are well prepared for their activities abroad, including blended mobility, by undertaking activities to achieve the necessary level of **linguistic proficiency** and develop their **intercultural competences**.
- Provide assistance related to obtaining **visas**, when required, for incoming and outgoing mobile participants, according to the requirements of the Erasmus Charter for Higher Education and, if needed, use project funds in the most inclusive way to cover related costs partially or in full.

¹¹ The Erasmus Student Charter is available here: https://ec.europa.eu/programmes/erasmus-plus/resources/documents/applicants/student-charter_en

Accommodation

The receiving institution will guide incoming mobile participants in finding accommodation, according to the requirements of the Erasmus Charter for Higher Education.

Inclusion of participants with fewer opportunities

STU offers the support for special needs, but everything has to be communicate in advance with the Centre for students with special needs, more information and contact available here: https://www.stuba.sk/english/degree-students/students-and-applicants-with-special-needs.html?page_id=91

Financial grant

The STU shall provide and administer mobility financial support to the STU and THAIBURI participants.

THAIBURI participant must scan the filled in and signed Grant Agreement and send it to the STU contact person: Erasmus+ Institutional coordinator, you can find the contact here:

https://www.stuba.sk/english/university/contacts/department-of-international-relations.html?page_id=4327.

The original document shall be personally delivered to the UMV by the participant upon their arrival to STU.

The financial support of mobility for each mobility participant consists of two parts: "grant" and "travel support".

THAIBURI participants (students and staff) should buy a travel document/ticket individually.

Students: After the arrival at the STU, the grant together with the travel support, as defined in the Grant Agreement, will be transferred to their bank account established in a Slovak bank upon their arrival to the STU.

6. Recognition

The Vice-Rectors/Vice-Deans/Project Managers will help students to choose the courses/subjects that best suit their study programmes at home universities/faculties bears the main responsibility for academic advisory in the STU and THAIBURI. It is also their duty to prepare, based on the Transcript of Records, the proposal for recognition of the submitted courses/subjects and their approval by the guarantor. Upon returning to the sending **home** university, the doctoral student having elaborated the final thesis will submit a written evaluation of the thesis signed by the supervisor of the **receiving** university.

It is mandatory that mobility periods are recognised by both higher education institutions. The receiving institution **must provide** a Transcript of Records to the student and the sending institution. **The sending institution must fully recognise the activities successfully completed by the student during the mobility, and register them in the student's Transcript of Records.**

Students are obliged to respect the rules and obligations stated in the Grant Agreement, as well as in the Annexes attached to the Agreement (Learning Agreement for Erasmus+ Studies, General Conditions and Erasmus Student Charter).

Recognition of the staff mobility is based on the elaborated reports on the mobility achievements and the mobility certificate issued by the receiving university. After the mobility completion, in addition to the written report submitted to the international offices, participants will report about the mobility achievements to their superior who, having evaluated the contribution of the foreign mobility, submits a proposal on the recognition of the mobility as a foreign business trip.

Organization of the language course - basics of the Slovak language

STU will provide a course of the basic Slovak language for THAIBURI students (Module Slovak Language A - 30 hours) in case of their interest.
